## *The Venue*

### **Prior To Your Wedding Day...**

Established in 2002, Amanda's Ark is a family run business which prides itself on the strong relationships built with both our customers and their animals. All customers are required to complete, fully and honestly, our Dog Walking and/or Home Boarding forms and agree to our terms and conditions. Amanda's Ark relies on the client's representation that their dog is in good health and has not harmed or shown aggression or undue threatening behaviour toward any person or any other dog. The client is also bound by Amanda's Ark to notify us of any unwelcome, aggressive, procreative, or dangerous behaviour shown by their dog. Amanda's Ark makes a full assessment of every dog, in terms of their behaviour, temperament and breed. Amanda's Ark will only chaperone dogs who are deemed, by us, to be safe in public/with children/other dogs and within the venue establishment.
